

Appln No.: 09/674,191
Amendment Dated: July 13, 2005
Reply to Examiner's Amendment of June 3, 2005

REMARKS/ARGUMENTS

In the Examiner's Amendment of June 3, 2005, the examiner indicated that claim 38 should be amended to include the words "of claim" but did not include a claim number. This amendment is filed to provide a reference to claim 13, consistent with the interview with the examiner of March 12, 2005. A typographical error was also corrected in claim 13.

Respectfully submitted,

Marina T. Larson, Ph.D
